Fundraising for outdoor play equipment

With your continued support we have managed to raise £2,300, these funds will go towards our fundraiser goal of £5,000 to purchase new indoor/outdoor modular play equipment.

As we continue to fundraise we will be sharing our progress using a fundraising goal thermometer, which will be communicated via our Facebook page, please look out for updates.

Whilst events still prove challenging there are other ways to support F.O.R.S., they are as follows:
