May 2022

## Jubilee celebrations

### Next Friday 27<sup>th</sup> May will be our jubilee day in school.

Children are encouraged to come to school in red, white and blue clothes for a £1 donation towards St Elizabeth's hospice. Donations can be handed to teachers during registration.

Sewing club have been working hard to make some bunting to decorate the school and you will also see a surprise visitor on the balcony at the front of the school!

## September news

We are still finalising classes and staffing for next year. We hope to be able to share this with you by the middle of June.

Now that teaching has stabilised again and school has returned to normal we will be reintroducing weekly homework for all pupils.

In September all KS1 and KS2 children will receive weekly literacy homework and end of unit maths homework. We hope that this will support your understanding of the teaching of these core subjects and reinforce home school learning. Our learning Pi platform will still be in use for sharing the learning characteristics and we hope to be able to develop this even further and increase participation over the next school year.

## IMPORTANT Advanced Notice

Following direction from our Trust I am informing you that our school day will be changing slightly from September. We will start as normal at 8:30am. **But the end of the day will be shortened slightly and will end at 3:15pm.**

Our Breakfast and after school club provisions will run from 7:45-8:30am and 3:15-6pm

Our Nursery sessions will run from 8.30-11.30am and 12:15 to 3:15pm

Costs of breakfast and After school club provision for next term will be confirmed very soon. Once I have the details I will pass them to you.

## SATS

Well done to all our year 2 and year 6 children who took part in statutory tests this month. We were all so proud of the positive attitude and work ethic shown by all of our children. You will receive the outcomes in your child's end of year report in July.

A huge thank you to all the staff who have been working very hard to teach the missing elements caused by Covid absence as well as keeping up to speed with the requirements of the current curriculum! Whilst we know that many of our children have gaps in learning due to the pandemic, their hard work and enthusiasm for learning certainly hasn't dipped. They are a credit to our school and their families.

Wishing you all a wonderful half term – Please note Monday 6<sup>th</sup> June is a PD DAY  
**Children return on Tuesday 7<sup>th</sup> June**
