Curriculum Update

It has been a busy half term with lots of learning and exploring around our topic 'Inventions'. Highlights have been pupils engaged with deciding who should be on £50 note based on their inventions, Year 5/6 immersed in school life in Victorian times, and year three and four deciding if we have learnt anything from the events of 'The Great Fire of London'.

Last week, we enjoyed number day. The whole school were busy with numbers and maths with an exciting TTRosckstar competition. There was certainly lots of excitement and a real maths buzz around the school, as well as some fantastic rock star costumes. Thank you Mr Vaughan for organising!

This week we have had pupils from KS2 take part in basketball and bowling. Well done to those pupils for representing the school so well and trying new activities with peers. Thank you to Mr Fisher for organising these opportunities.

Next half term we have a focus on foundational skills across all subjects, (ensuring we have punctuation and correct handwriting formation) as well as staff CPD based on Oracy.

Staff Update

We say 'goodbye and a huge thank you' to Mrs Baldwin today. Mrs Baldwin has been instrumental in setting up our Nest provision and supporting our KS1 pupils. We will miss her knowledge, enthusiasm and most importantly her kindness. She has been a beacon amongst staff sharing her SEND expertise and has built some wonderful relationships with our families. We will miss her greatly, but wish her well with the future.

Dates for your diary
