Dear Parents and Carers

Re: School Trip to Dunwich Museum

We are very excited to begin the new school year with news of a school trip. To aid our learning about coastal erosion and to help us answer one of our big questions for this term – Where has Dunwich gone? We would like to take the children to visit Dunwich Museum.

Our trip is planned for Thursday 21st September. The children will be collected from school at 10am and will return to school at 2pm. Therefore, they will need to bring a snack, a packed lunch and a drink (no nuts). If your child receives free school meals, we can provide a Pick n Mix lunch for that day. Please inform the office if you would like your child to receive a free school meal.

We request that the children come in their usual school uniform, wearing suitable footwear as there will be a lot of walking. They may also require sun cream or a rain coat depending on the weather forecast. We will be spending time outside, collecting stones and foraging for things to make sculptures with later on in the term. Please do not send mobile phones with your children.

The cost of the trip will be £10 per child. This will cover the cost of the coach and will also offer a donation of £1 per child to the museum. We ask for this to be paid via Arbor by Friday 15th September. Please speak to your child's class teacher in confidence if you need financial support and in receipt of free school meals.

If you are available to help and join us for the day, please let your child's class teacher know. If we have lots of parents volunteering, we will be entering names into a lucky dip.

If you have any questions, please email your child's class teacher.

Yours sincerely

Year 3 and 4 teachers
